First Safety Valve Session Peaceful One

Civic Leaders
and City Heads
Discuss Affairs

First meeting of the Mayor's Coordinating Council held last Tuesday at the Racquet Club found in attendance leaders of most of the top civic organizations of the Village plus members of the press and radio to start the ball rolling in what is to be bi-weekly meetings on "what to do about Palm Springs." The group of leaders included besides Mayor Charles Farrell, City Manager Russell Rink—both representing the city's formal government; Eileen Carey, president of the Soroptimists; Louise Purnell, president of the Business Women's club; Charles McGann, representing the Lions club; Bob Bennett, president of the Los Compadres; Arthur Meyer, president of the Hotel-Apartment Owners association; Bob Hargis, Rotary chief; Paul Grannis, KCMJ; John Whitehead, the News; Ted McKinney, Junior Chamber of Commerce president.

KEN KIRK, representing both the Desert Circus and Hospital district; H. H. Foster, Real Estate board prexy and also representing the Contractors association; Hilton McCabe, Legion commander, also representing the Home Owners league; Jed Ostling, The Desert Sun.

Leo Baker, president of the Retail Merchants association; Police Chief Kettmann; Frank Bogert, president of the Palm Springs Employers association, also representing the Horsemen's association; and also present were four from the Chamber of Commerce: President Keith Herbert, Coordinator Harold Hicks, Manager Bill Dunkerley and Publicist Jim Hervey.

THE MEETING was carried on with few clashes of opinions except in one instance Bogert, in speaking of what was going to be needed by the Rodeo association for the coming rodeo February 4, 5, was interrupted by the mayor with a sly grin, asked if he (Bogert) and the rest of the association would like to turn the deal back to H. M. Horkheimer, original applicant for the rodeo dates.

Bogert gave the opinion that expenditures on The Field were "overbalanced" in favor of the baseball stadium, which would not bring in nearly the amount of revenue over a year's time that the horse stadium would. Vergerence of opinions followed in this score.

POINT BROUGHT UP BY McCabe was there should be an improvement of the clearing of events dates through the chamber.

Other major point of discussion was in naming of The Field, which Bogert stressed should be done before the rodeo. It was decided to hold the "Dutch" luncheons every two weeks with the next to follow on agenda set up by the participants on January 24, with the solid consensus being in favor of the Racquet Club for meeting place.

IN OUR HOUSE tonight (I mean last night) there is strange music . . . A stack of records is whirling merrily while phat is deeply engrossed in a certain publication containing row upon row of fine print . . . Making notations on scratch pads, apparently doing some real serious thinking . . . For instance there is "I Beg Your Pardon" . . . That's what the clubhouse orchestra was playing when phat, after long deliberation, placed his \$2 on Sea Going which paid \$162 . . . Correction—have just been informed it was \$162.30 . . . Then there's "You Made Me Love You" . . . The band was playing that just before Broker came in at \$31 . . . And, of course, "Who" (four records of that—Lombardo, twice, T. IT'S THE THING TO DO—Brownie Wendy Sue Strebe shows what every good citizen of Palm Springs will be doing in the next three weeks—putting up the "we give" sticker of the Palm Springs Community Chest. The Advance Gifts division is at work now and the general solicitation is set for the "kickoff" on January 24.

Give Enough And Quickly, Lykken's Plea

Give at once and give generously, enough for all six agencies.

"That was the appeal today to all large donors to the Community Chest, issued by Carl Lykken, chairman of the Advance Gift committee as 30 workers started out to make approximately 300 calls which will determine, to a great extent, success of failure of the 1950 appeal.

SUBSCRIPTIONS by these 300 firms and individuals last year totaled more than half of the amount contributed by the more than 2300 persons who supported the Chest drive in Palm Springs, Desert Hot Springs and Cathedral City last year.

"There can be no question of the urgency of the Community Chest need this year," said Chairman Lykken.

"In the field of charity, the Welfare and Friendly Aid already is experiencing a sharp increase in the number of calls for assistance from families down on their luck or victims of unexpected reverses or tragedies in this vicinity. It is doubtful that even the budget asked for 1950 will be sufficient to carry this fine organization through the year. Surely none of us wishes to see children go hungry or families in want here when a small 'lift' at the right time helps them over a rough spot.

"**LIKEWISE**, unprecedented use is being made of the youth facilities in Palm Springs. Hundreds of boys and girls are being

Year's First Boy Babies at Hospital Today

Changing the procedure of girls, in effect at the Community hospital since the first of the year, two boy babies were reported as making their appearance this week.

First was born to Mr. and Mrs. Alvin Vogt, 3834 Calle San Raphael, at 10:35 a. m. Tuesday, January 10. The child, as yet unnamed, weighed six pounds, five and a half ounces. Father is an employee of Dill Lumber company.

The second was born Wednesday morning at 7 o'clock to Mr. and Mrs. Bernard A. Rogers of Indio weighing six pounds 15 1/4 ounces. The father is a carpenter. This child also not named by press time yesterday.

FIREMEN ALL SET FOR ANNUAL BENEFIT PARTY

"Emergencies do not recognize geographical limitations," was the appeal voiced today by Harold Smith, captain of volunteers of the Palm Springs Fire Department, in asking desert wide support of the 15th Annual Firemen's Ball. The event will be held Saturday, January 14, at World Wars Memorial Hall with Ewing Parker's band furnishing music for dancing.

Funds from the dance will aid purchase of a new \$850 resuscitator by the volunteers, who in past years have purchased various life-saving and rescue devices with their own funds.

PROGRAM COMPLETED FOR MARCH OF DIMES

Complete program for the two-week March of Dimes drive in the Village starting next Monday, January 16, were revealed this week by George E. Clarke, chairman in the Palm Springs area annual anti-polio campaign.

"Quota for Palm Springs is \$5000 and we have only two weeks to raise that amount in," Clarke said. He continued with telling of the hard-hitting committee which is working on all possible aspects of the drive to make this year's program a success locally.

Assisting Clarke is Police Chief August Kettmann, vice chairman; Leo Fields, Warren Strebe, Frank Bogert, Barney Hinkle and Jed Ostling, publicity.

POSTERS AND COIN boxes will be used generally throughout the Village to heighten interest in the project and these will all be distributed by the Business Women's club, Louise Purnell, president.

DISTRICT BOARD TALKS OVER PROPOSED MERGER

Meeting at the home of Kenneth Kirk, president, directors of Desert District Hospital Monday informally discussed the proposed merger of assets of their interests with those of the Community hospital, a matter to be brought before the latter body at its meeting January 19.

Principal point to be discussed in the joint interest of the two bodies is the early building of a new hospital—with approximately \$140,000 now available by the association and the \$300,000 assured by bonds from the district.

Ernest Alschuler, president of the association, now in Chicago, last week advocated joint action by the two bodies for mutual interest. El Mirador hotel, part of which is now the hospital, is up for sale by the government. March 22. Several large hotel interests are said to be eyeing hotel property.

Retail Merchants

To Meet Tuesday

First 1950 meeting of the full membership of the Retail Merchants association will be held next Tuesday evening, January 17, at the Royal Palms hotel banquet room. It was announced yesterday by Leo Baker, president.

Progress report will be made on the activities of the organization in 1949 and plans for active participation in the community's affairs will be started for the ensuing year.

Indian Area Engineer In Village

In town this week for study of city and tribal plans for widening of Indian avenue and other reservations projects from Sacramento is R. A. Wehr, area engineer for the California Indian area.

It is expected by Agent Howard Perdue of the local agency that another session with members of the city council will be held by the Indians with Wehr at the local offices some time next week to coordinate plans advocated by the city with the Indian interests.

Master Plan Meeting Set for Next Monday

New Health System Into Effect Feb. 1

Scientific System
Launched by Crews
Of County Dep't.

Sanitation of food in Palm Springs after February 1 will be a scientific procedure. Dr. O. B. McRory, city health officer, said yesterday, with a regular "blanket coverage" of all food handling establishments to be made periodically.

Teams of 10 county sanitarians will cover eating and food handling establishments in all areas of the county in periodic inspections covering an 18-point program which will be noted on a permanent case file of each establishment.

THE INSPECTIONS will be most inclusive, the doctor said. Any establishment handling food in any form will be subject to the inspections including restaurants, markets, food storage facilities, bakeries, confection shops, taverns, soda fountains and other types of businesses handling foods of any kind.

"In the past," Dr. McRory said, "such inspections have been handled piecemeal during the year."

"Inspections under the new plan are already being conducted in Elythe, in areas adjoining Riverside, and next week will be started in the Indio territory with Palm Springs slated for the work in the first week of February," he concluded.

THE VISITS of the sanitarians, under the direction of the city health officers, will inaugurate an absolutely new system of inspection record-keeping by the county health department, with inspection records comprising the basis of annual health department permits given to firms meeting sanitation standards set by the state health and safety code.

Among the many points which must be observed by establishments and workers where inspections will occur in the Village are condition of the floors, walls and ceilings, whether or not the doors and windows are flyproof, lighting and ventilation in kitchens, bars, dining rooms, toilets, types of sanitization of utensils, condition of clothing

FOR UNITED NATIONS—Mrs. Jack Hausman of New York, co-off in American Association of United Nations work, taking time off from serious work to sun herself in the Village.

WORLD PEACE, ACTIVE GOAL OF VISITOR HERE

By BETH SCOTT

It takes outstanding citizens like the Jack Hausmans of New York, who now are vacationing at Palm Springs Biltmore, to make and keep our country the leading nation of the world.

Both play an important part in civic life in their city, and in the country as a whole. Petite, blond, vivacious Mrs. Hausman, can be deadly serious when she talks about her work with the United Nations.

She is one of 25 women forming a voluntary group known as American Association of United Nations. It is the work of this small group to be a liaison between the public and the U.N.

They brief the public on just what that great body is doing. Organized less than a year ago, the AAUN now maintains a public reception lounge staffed by the 25 volunteers.

IT IS THEY who acquaint the public with the operations at Lake Success, and visitors in New York are now beginning to attend the sessions of the U.N. All large utility companies and other big businesses insist their entire personnel takes time to attend and see first hand what is being done. The visitors are met by the A. A. U. N. group and

CHAMBER TO PRESENT 1950 PLANS JANUARY 20

Meeting of the board of directors of the Chamber of Commerce Tuesday morning found the appointment of Charles McGann to the membership upon resignation of Barney Hinkle as one of the principal pieces of business of the three-hour meeting although the matter of considering the budget for the ensuing year took most of the time.

In preparation for the general membership gathering of the organization next Friday, January 20, the group voted as "Citizen-of-the-month" for this month Reed Hubbell who will be so designated at the luncheon-meeting.

It was explained that this month's full membership meeting was originally scheduled with Ewart W. Goodwin, past president of the San Diego chamber as speaker, but that this will be changed in that instead of Goodwin, Harold Hicks will direct the meeting which will be a discussion of the chamber's activities during the past year and a program presented for the coming year.

No action has as yet been

Mayor Calls Citizens Into Conferences

Leading Organizations
Invited to Form
Advisory Committee

Invitations were issued this week by Mayor Charles Farrell to heads of Village organizations inviting them to attend a meeting next Monday at 3:30 p.m. at city hall chambers for the formation of a Citizens' Advisory committee to work with the Palm Springs planning commission on a long range master plan for the city.

Earl O. Mills, nationally recognized planning consultant, who early this month arrived to take charge of the master plan, has started his studies in cooperation with the planning commission and planning staff.

IN DEVELOPING the program for the physical development of the city, the mayor said, the commission feels the need for a realistic approach and will welcome advice from Palm Springs civic organizations.

To this end the mayor this week addressed letters to the various organizations asking them to send a representative to the meeting Monday at which time the Citizens Advisory committee will be organized.

Mills, Mayor Farrell and members of the planning commission will outline the proposed program for the city and the work the advisory committee can do at this meeting.

Gus Nardoni Loses Ring to Stick-up Man

Calling him by name and approaching him as he parked his car late Wednesday near his Los Angeles home, two gunmen were described as having robbed August Nardoni, hearing of the Village organization bearing his name.

Taken were a diamond ring, valued at \$8500, and a wallet containing \$80 in cash.

"Nardoni, get around there, give me that ring," Nardoni said one of the men snarled. After taking the loot, they told him to "start walking" and disappeared.

The victim said his stolen wallet also contained several thousand dollars in worthless checks, hotel and other credit cards. The bandits also took the keys to Nardoni's Palm Springs home and to his safe deposit box.

The PUBLISHER'S Corner

by OLIVER B. JAYNES

TIME IS RUNNING OUT on the Palm Springs Community Hospital. The property which it is occupying at a rental of \$1.00 a year is being offered to the highest bidder by the Federal government. It seems very likely now that the old El Mirador property will finally be disposed of soon after March 22nd. This is the day which has long been dreaded by those in charge of the Community hospital.

A bid has been made by the Hospital Association for about 8 acres of El Mirador land with some of the old Torney buildings still standing on it. But the Community hospital has neither the time nor money to build a new hospital building. That is why some definite action must be taken by the Hospital Association at its annual meeting next Thursday. It is confronted with two problems: 1) Keeping the hospital in operation. 2) Turning the entire matter and all their funds over to the Hospital District and let this new governmental agency work out the problem.

Every time it is suggested that the building fund (about \$100,000) be used the cry goes up that this money was raised by public subscription—and some people go so far as to suggest that it be returned to the donors. . . . This would be an expensive and almost impossible procedure. If the money is used to meet the present emergency, it will certainly serve the purpose intended. If this fund is not made available, the chance of keeping the hospital in operation until Federal funds are available and a building is erected seem pretty slim. There seems little chance that the District's application for Federal funds (to match the \$300,000 bond issue) will be approved this year. So what can the Hospital Association do but turn the Community Hospital and the Association's building fund over to the Desert Hospital District and let this agency—which was organized for that specific purpose—take over the problem in its entirety?

We see no other choice. To continue much longer with no preparation for the day when the hospital is ordered to move off is endangering the continuance of hospital facilities in this area for perhaps a two or three year period.

BALL OF FIRE—But she's not going to be out at the Firemen's Ball tomorrow night. Barbara Connell does tricks with fire to plug the event. She's the daughter of Mr. and Mrs. John Connell, and her dad is one of the volunteer firemen who are backing the event.

Courthouse For Desert Under Study

County Planners
Meet at Coachella
On Proposal Feb. 7

County planning commission Tuesday agreed to meet at Coachella Feb. 7 and inspect proposed sites for a branch county courthouse.

The commission authorized its technical staff to present a study of recommended sites prior to the February 7 meeting.

Clifford Henderson of Palm Desert, who has offered the county ten acres of land on which to build a branch courthouse and civic center at Palm Desert, Tuesday invited the planning commission to meet at his Shadow Mountain Club at Palm Desert but the planners agreed to hold the session at Coachella instead.

STARS OF "MADE IN HEAVEN"—Shown here are John Hubbard, Lisa Howard and Robert Patton who are currently wowing Villagers in Hagar Wilde's comedy-drama produced at the Tenthouse Theatre by H. M. Rogers. Direction is by Michael Ferrall.

Lions Told Facts On Jet Aircraft

Jim Hoffman of North American Aviation company flew into town yesterday and as a result Palm Springs Lions heard an excellent talk on jet aircraft and saw excellent movies of the latest types in operation.

During the last world war Hoffman was stationed at Wright Field, Ohio, and took an active part in early development of the jet plane.

George Strebe, aviation chairman of the Chamber of Commerce and an air enthusiast, was chairman for the day.

In the Village from La Jolla Sunday were Mr. and Mrs. Thomas Dalton and Mr. and Mrs. Randolph. Mrs. Dalton is the sister of Villager Mrs. Angela Spriggs whom the party visited.

"MADE IN HEAVEN" HIT WITH CAPACITY HOUSE

"Made In Heaven," one of the funniest legitimate plays to grace the boards of stages throughout the country and now on tap at the Tenthouse Theatre, is a show that gives promise of "making" the theater as far as Palm Springs citizenry is concerned.

Starting Tuesday with a full house complete with "names" in attendance including Jack Benny and Mary Livingston, Mayor and Mrs. Charles Farrell and others of note, the production,

presented by Producer H. M. Rogers, directed by Michael Ferrall, stars Screen Actor John Hubbard, Marrian Walters and introduces a sparkling new personality, the beautiful Lisa Howard.

The entire production is polished to perfection and will continue through Sunday night, with two showings on that date, a matinee being given at 2:30 in the afternoon.

Next production starting Tuesday night is George Bernard Shaw's Pygmalion.

CIVIC LEADERS CALLED TO RODEO CONFERENCE

Response of businessmen and Villagers in support of the February 4 and 5 rodeo is more manifest each day according to Barney Hinkle, president pro tem of the Palm Springs Rodeo association and Trav Rogers, manager of this year's event.

A luncheon-meeting with the leaders of every organization in town invited, is scheduled soon, according to Hinkle.

AT THAT TIME all present will learn of the tremendous task confronting the Rodeo association, in "putting the forthcoming western show over with a bang."

Alm of Trav Rogers, Frank Bogart and Phil Delano is to attract a record crowd to Palm Springs for the two-day event and money for advertising and

publicity is not being spared to produce one of the finest rodeos ever held in Palm Springs, Rogers said.

TICKETS WILL go on sale within the next few days at booths established at the Plaza. "This is the first time since before the war," said Rogers, "that a group of local citizens has banded together to put on the rodeo with all the profits if any, remaining here to promote Palm Springs bigger and better events."

"That's why," added Delano, "the support of every Villager is needed in making the event a success."

Joins Husband In San Francisco

Virginia (Mrs. John) Elwood, Village resident for more than a year who spent her time in desert living while awaiting orders to join her husband, stationed at Okinawa in the U. S. Army, last week rejoined her husband—except that the meeting place will be San Francisco. His orders to return home had arrived in time to beat those of Mrs. Elwood to join him.

Leaving last Tuesday, Mrs. Elwood drove to the Bay city where she will spend a few days with her husband prior to returning to the Village for a short stopoff. The couple will then travel to Phoenix, Arizona, where he is to be stationed.

South of the Border

Supervisor Collis Mayflower, representing the fourth district, went across the border on a visit to Mexico last week. Supervisors granted his request for permission to leave the state.

Organization by Precincts Begun By Republicans

First of a series of precinct meetings by the Palm Springs Republican organization will be held Monday night at the Fiesta House on the Desert Inn grounds when residents of Precinct No. 6 will start plans for the fall campaign. Co-Captains of the precinct are Claude Valeur and Janet Foster. The meeting, announced by Melba Bennett, Republican leader, will start at 7:30.

On Tuesday night, Precinct No. 7 will organize, meeting at the home of Muriel Fulton, 466 South Patencio. Miss Fulton is in charge of this precinct.

Denver Couple Exchange Vows

A specially-scheduled wedding in the judge's chambers at city hall Wednesday evening before Judge Eugene E. Theriault, joined Dr. John Hilton and Doris Tressel, radio personality, both of Denver.

Impromptu witnesses for the rites, "shanghaied" from council in session at the time, by the judge to make the contract legal were Police Chief August Kettmann and City Treasurer Robert W. Peterson.

At termination of the ceremony the couple departed on a honeymoon, the chief and treasurer returned to official business at the council session, and the judge went home.

Boyd Addresses Blythe Rotarians

Motoring to Blythe Wednesday to participate in the Rotary meeting of that city were Dr. William Elliott and Councilman Florian Boyd, the latter being principal speaker at the meeting. Boyd's discussion was on socialized medicine.

Turmoil Started

First political announcement in county circles was made Wednesday when Marvin Bledsoe of West Riverside, said he would oppose Supervisor Ed Hill in the 1950 elections.

Bledsoe is an ardent anti-smudge advocate. Hill is a member of the Slape-Jones-Hill supervisory bloc.

Court to Hold Desert Sessions Twice a Month

Sessions of Department 3 of county superior court will be held twice monthly at Indio with Judge John Gabbert presiding, it was announced this week.

Sessions will be held the second and fourth Fridays of each month with the first calendar session for 1950 scheduled for next Friday, January 13.

Boy Scouts Meet At Honor Court

Combination Court of Honor-pot luck dinner of the Boy Scouts at the Wars Memorial building Wednesday night was attended by a large crowd of parents said to have totaled nearly 300.

Starting with dinner the next order of the program was in an impressive candlelight ceremony with 12 candles being lighted, one for each point of identification of a Boy Scout. Final order on the program was in presentation of awards to the boys who have earned them since last ceremony.

Jewish Group In Fine Session

Livingston Smith, cantor and musical director of the religious school of Wilshire Boulevard Temple, entertained members of the Palm Springs Jewish Women's group last week with songs and a brief summary of "Music for Jewish Living." He was accompanied on the piano by Bob Morris.

Mrs. Reuben Kulla, president, presided and the guest entertained was introduced by Mrs. Leo Baker.

JAYCEE JAMBOREE NETS CASH FOR CIVIC FUND

"Most successful," is the description of the Junior Chamber of Commerce Jamboree at the Tennis Club Monday night, attended by more than 1000 according to President Ted McKinney.

DHS Light Plea Is Referred Back

Desert Hot Springs Chamber of Commerce request for 16 street lights on West drive was referred back to that body by supervisors last week.

The chamber was advised that the application should be started with a petition from the residents affected before it can be budgeted by supervisors as a governing body for the Desert Hot Springs lighting district.

(Vincent Marco, club owner) went all out in making our party the success that it was," said McKinney.

A complete motion picture set was awarded to Leo "Sunshine" Farnow of Los Angeles. Entertainment was provided by The Stables, Doll House, Steak Ranch, Bali, Bali, and the Circus Room. Dance music was to the music of Ray Whitaker's orchestra.

A "good net" was realized from the party for the Jaycees Civic and Community fund and credit is given by the president to General Chairman Paul Traver who headed the preparations and to the committee composed of Al Stutz, Sal Alessandro, Don Chromicle, Ed Zirinsky and Dr. Robert Backstrom.

Carlson Renews Courthouse Fight

Continuing the campaign for a branch county courthouse in the Coachella Valley, Homer Varner told Indio planning commissioners that residents of the area pay \$90,000 annually to travel to the courthouse at Riverside.

He was backing the appeal of Ted Carlson of Coachella for action on the decentralization plan, now before county planners.

Carlson said the decentralization program was vitally essential to the entire fourth supervisorial district extending from San Geronimo pass to the Colorado river.

"If some action isn't taken soon we'll hear more secession talk," he warned. "The movement for Desert County is still growing."

Hope Must Take It Easy 6 Weeks

Bob Hope, "the rambling wreck from Palm Springs" as he was termed on the radio Tuesday night, will have to slow down for at least six weeks, his doctors said just prior to the broadcast.

He can continue his weekly broadcast but must give up movie and personal appearances for at least that length of time, were the orders.

His doctors set the shoulder which was dislocated and strapped it into place Monday.

Hope and a script writer, Fred Williams, were thrown from Hope's automobile as it skidded Sunday night in the rain near Morongo on the Palm Springs-Riverside highway. Hope was returning to Los Angeles from a weekend spent in Palm Springs.

Fireworks Ban Put Into Effect By County Board

This year another time-honored institution will drop out of the picture in Riverside county. There'll be no fireworks other than those given full approval of county firemen—and that won't be many.

Supervisors Monday asked County Counsel W. O. Mackey to draw up an ordinance banning fireworks in the county along lines suggested by county firemen.

The measure will not ban kid's cap pistols.

It applies to unincorporated areas. Palm Springs already has a similar law banning fireworks within the city limits.

International Fame Given Desert Museum Activities

International publicity has been given the Desert Museum in the official publication of the International Council on Museums issued in Paris, it was learned last week when Director Lloyd Mason Smith received a copy of the October issue of the ICOM News.

This publication, half of which is in English and half in French, is sent to every important museum and library in the world. The article in question was a resume of the museum's last annual report, the fourth printed since the museum's inception. The article is as follows:

Palm Springs Desert Museum, California.

Fourth Annual Report, 1948.

"The report for 1948 of the director of the Palm Springs Desert Museum (California) notes that a quarter of its visitors were children, who participated with their elders, in a program including talks, field trips and music. Both adult and youth education play a definite role in the conduct of the museum. A radio programme including talks, moving pictures, picnics, field trips and music. INVITATIONS IN THE MAILS TODAY FOR "GREATEST CIRCUS PARADE EVER"

In the mails today were invitations to insure "the greatest parade" ever in the 14-year history of the Desert Circus according to Tony Burke, parade chairman for the 14th annual event. Burke this week dispatched the bids for the parade, scheduled for March 25, to firms, individuals and organizations throughout the southland. One invitation went to Governor Earl Warren.

It is the chairman's hope that this early reminder of the big event, which will be one of the climaxing celebrations of the 14th Circus week March 21 to 26, will permit more thought in preparation of floats and entries.

"We hope to make every entry in the parade really outstanding," the parade chief said today.

being invited to serve as grand marshal, and the genial state executive has been asked to bring his family with him for the trip to the desert if he can arrange the trip. Demands of the legislative session which will be in full swing at that time are expected to complicate the governor's plans, but the parade chieftain hopes he can be here. Other notables are being invited. Invitations to communities to enter floats are being forwarded by Burke.

Slape's Attack From Wrong End

County Supervisor William Slape, with some support from Supervisor William Jones, urged supervisors Monday to ask County Assessor Frank Burchfield to make a blanket 25 per cent reduction in assessed valuations in the county.

No action was taken.

Chairman Floyd Gilmore told Slape he was attacking the "high tax" problem from the wrong end.

"It's increased budgets not increased valuation which is boosting the tax rate," he said.

"IF POSSIBLE, we plan also to do something to answer the criticism of some that the parade has been too long in the last year or two, although the enthusiasm for participation in the parade is so great any limitation is a big problem. We can only hope that everyone will put more thought and effort in preparation of their entries."

Numerous inquiries already have been received by the Circus office regarding the parade plans for this year, and this interest would seem to justify Burke's prediction that this parade will be "best yet."

CIRCUS PARADES are not new to the popular reality broker, as he was chairman of many early editions of the parade prior to the war. He is being given valuable assistance by Phil Delano, advisory chairman, who found it impossible to devote the time to the parade production this year after presenting record-breaking parades in 1946, 1947, 1948 and 1949. Vice-chairman of the parade committee is Jimmy Cooper who also has had an important part in the parade production since revival of the Circus after the war.

MOCK DEVONSHIRE CREAM—Add a little cream to cream cheese, beat until light. Delicious served over frozen or canned berries.

HOUSEHOLD HINT

MOIST SAND in the bottom of a vase or flower bowl makes a good "frog." Keeps vase from tipping, too.

RECIPE

COLD WEATHER SOUP

3 medium-sized onions, 1 pkg. noodle soup mix sliced
1/2 lb. ham, minced
2 Tbsp. butter or margarine
1/2 c. fresh bread crumbs

3 c. hot water
salt and pepper to taste
1/2 lb. American cheese, grated
1 egg yolk, slightly beaten

Fry onions and ham in butter until browned. Add bread crumbs, noodle mix, water and season to taste. Simmer 1/2 hour. Remove from heat, add grated cheese, egg yolk and serve at once. Serves 4.

Sales Tax Plans Foundering After Mackey Decision

Plans for a county sales tax practically were obliterated Monday when County Counsel W. O. Mackey told supervisors that even if they shifted to a charter form of government they probably couldn't levy a sales tax unless the state constitution is amended and present state laws changed.

Earlier he had told supervisors that they could not levy a sales tax as proposed by Fourth District Supervisor Collis Mayflower unless they changed the form of government—and maybe not then, he'd have to look it up.

While he was looking it up, supervisors toyed with the idea of changing the form of government. Mackey's latest ruling just about stopped that.

A Villager in Sun Valley--Yet

By MELBA BENNETT

I have taken to skiing like a stone takes to water, going suddenly, and without preamble, to the bottom. However, after one nervous glance around this sanitarium for fracture cases, I am grateful that I wasn't carried in from my first ski lesson on a stretcher. In fact, although I am bruised all over, one ankle wrenched, my instep an ominous black and blue, and one shin bone completely bared by a whimsical ski, I am, comparatively, whole. In fact, I can probably limp forth tomorrow for another four hour session.

The other beginners, along with me, were turned over to a Simon Legree character named Charlie, who lined us up on an icy, slippery bank and gave us the works. "Now," sez he, "first we'll learn to walk. Bend the knees and follow me." The knees bent all right, but the skis stayed rigid. My feet, encased as they were in three pairs of wool socks and enormous, stiff, hideous boots, were strapped, laced and clutched by metal bear traps attached to the skis. They were as helpless as if they were riding a mule. So, instead of following Charlie, I stuck with the ice. Once down, although there are three approved methods for get-

ting up, none of them worked—for me. Ignominiously, I had to be hoisted. I was certainly grateful that I hadn't brought along my snazzy, Swiss-made-non-bendable ski pants. I had bought some lovely baggy ones, which, though not chic, were comfortably agreeable to my lurching and rollings. Again on my feet, along with the other pitiful, apprehensive creatures, I followed Charlie across country.

IN EITHER HAND we clutched treacherous looking spikes in which we were supposed to place our confidence. Keeping mine in a forward position where I could keep an eye on them, lest they stab me in the back, I was indignant when, at the end of the first quarter, Charlie stopped us and said, soothingly, "Now you

have learned how to walk and how to place and keep your poles behind you. Now I will teach you how to turn. Brother! Just let me warn you now, STOP THE TRAMWAY. No good will come of it. I think Earl Coffman and Francis Crocker are leading us all to hospital beds via ski slopes. Strapped to a pair of skis is frightening enough, but turning in them is gruesome. Weighted down as we were, we had to lift boot and place the back end of the ski in the ice, swing her around into a ballet No. 3 position, then twirl the other ski around beside it. What happened to me in the meantime was of interest only to the pretzel department.

I WAS TRYING to remember to be grateful that at least we were on flat ground when Charlie bellows out, "Fine, fine, now this is the position to keep your skis in on a down slope." My stomach was already on a down slope. But off I trailed after the other pr dogs. Everyone else seemed to get to the top of the hill very nimbly by standing sideways and placing one ski next to the other. Mine had been obviously greased by an enemy, because although I did exactly as they did, I slid further down the hill, instead of mounting. Charlie kept shouting instructions to me, but the woman in that below me was the only thing between me and oblivion. By pushing obstinately, she got me and the skis to the top of what is undoubtedly the highest peak in Sun Valley, though they call it Beginners' Slope. "Just bend the knees and lean forward," bawls Charlie. Since there was no argument to remain standing, I naturally sat down. I tried the three positions, but to no avail. There I sprawled. Deedee, I noticed, kept her eyes averted and acted as if she had never seen me before, while Charlie and two other men heaved me to my numb feet. I made a commendable speech to my classmates, apologizing for holding up the lesson. They assured me that they had learned a lot by my fall. Just what they were insinuating I can't imagine. After four hours we were dismissed "until tomorrow at ten." Charlie barked sternly, I suppose I'll be there.

Meeting Today Expected to End Crossing Hazard

Steps toward minimizing accident hazards at the Indian avenue crossing of the Southern Pacific railway at Garnet were expected to be taken today in a meeting at Riverside between representatives of the Southern Pacific, State Public Utilities commission, board of supervisors and communities of Desert Hot Springs, Garnet Gardens, Palm Springs and Cathedral City.

Desert leaders will propose that the "jog" in the highway which creates the dangerous "S" curve at the crossing be eliminated and Indian avenue extended directly north. Involved also is the moving of some trackage in a switch to permit the road to cross only the main line of the airway. If this can be worked out, it would eliminate the long waits now caused by freight trains on sidings.

given the citizenship and self-reliance training so ably presented by the Boy Scouts, Boys Club, Girl Scouts, Desert Museum and the Youth Center. These are institutions of which every resident of Palm Springs should be proud, but we should remember the practical side of this problem—it costs money to carry on these fine programs. And every dollar of Community Chest money made available to defray operating expenses encourages 10 dollars worth of volunteer time in these agencies.

"If everyone will give within the limit of his means, the problem of financing the Community Chest will not be heavy on anyone. The Chest is everybody's job, from the family that can give 50 cents to the one that contributes a thousand dollars," he said.

FIRST REPORT meeting of the Advance Gifts committee has been set for 4 p.m. next Monday. It is planned to have the work of this group complete by Monday, January 23, the day before the kickoff of the campaigns in the other divisions—residential, business, hotel and apartments, schools and public employees.

Music Club Being Organized in City

A music club designed to seriously study classical music is being organized under the auspices of the Museum, and will meet on alternate Wednesday nights beginning January 18 at the home of William Norman Jupe, on Overlook drive, at 8 p.m. Anyone interested in attending these meetings can secure further information by phoning Mr. Jupe at 3271.

snooping in the trash can.

DISMOUNTING a few moments and getting back to serious things, I think that Palm Springs had a real break Wednesday... There were large crowds here on the sidewalks and the warm sun was shining brightly... On the newstands the Los Angeles papers blared forth in glaring headlines: "Rain, Snow, Wind and Sleet Sweep Southland" on one, "Southern California Gripped by Storm" on another... That should make the people lucky enough to be here realize the desirability of living in the Village... I'm getting to be almost as big a booster about Palm Springs (I almost wrote "Liar") as phat is... phat says I shouldn't say that... I mean, about the weather... Seems that whenever he writes a glowing tribute to the weather on Thursday, something happens on Friday and the Sun is the only sun in sight... I am quoting him freely... A literal quote might disillusion some of his more genteel public.

ANYWAY, phat is almost through and if he has a FIFTH record of "Who" it's going to be one than whom there is no broker and I don't mean the horse... He is copying off a selected list of equine names on a nice clean sheet... There are two things wrong with that operation... (a) He won't be able to read them tomorrow (today); (b) And if he did, it wouldn't do him any good... There's no pay-off for sixth place... As for my own modest picking... I just choose those steeds whose names are akin to either of the boys or the grandson, or a favored aunt... And I'll probably buy the dinner tomorrow (darn it, pardon me) tonight... Instructions are for something in fine print... I'll crib from phat's dinner table conversation tonight thusly:

The people who do the most complaining about there aren't enough things to do here, are the ones who, when something is provided, just sit back and don't do it.

La Paz Hosts Gay Buffet

Over a hundred Village ladies with a smattering of men gathered for a buffet luncheon Wednesday noon beside the swimming pool at La Paz hotel when the hotel entertained in honor of decorator Emily Laser and her Magic Pillow. Guests enjoyed a beautifully set buffet and watched Miss Laser apply the magic pillow to various potential bulges on a shapely model. The magic in the pillow is demonstrated by an electric motor which gives out with soothing and reducing vibrations.

On hand for a delightful luncheon were hotel owners Mr. and Mrs. Golden, Mr. and Mrs. Avery Allen, J. P. Seeburg, Charles Farrel, Mrs. John E. Gallois, Mrs. Sol Lesser, Mrs. S. Z. Sakall, Mrs. John Lapp, Mrs. Sam Briskin, Mrs. Townsend Netcher, Mrs. Oliver Jaynes, Mrs. Marvin Ostrander, Mrs. William C. McBride, Mrs. William C. Talbot, Mrs. Landsburg, Mrs. Saul Ruskin, Mrs. Leo Baker, Mrs. William Dunkerley, Mrs. John Costello, Mrs. Harold Murphy, Mrs. Austin and Mrs. Walter McManus, Mrs. Rutledge, Mrs. Kenneth Kirk, Mrs. Lucian Shaw, Mrs. William Malouf, Mrs. Arthur Meyer, and many others.

Helter Attends Adrian Opening

Off Tuesday to the ultra and exclusive, last final word, in women's clothes, was C. R. Helter, J. W. Robinson's manager, to attend the Adrian showing at the designer's Beverly Hills salon.

Staying at the Racquet Club is dress designer Marusa Wilson who has delighted the onlookers with many of her smart creations.

Nino Martini, World Famed Tenor, to Open Concert Series Here Wednesday

The Village will play host to one of the most famous names in the concert world next week when Nino Martini, world-renowned Latin tenor, arrives to appear as the initial artist on the Palm Springs Concert Series.

The concert series will open Wednesday at 8:30 p. m. in the Plaza theater.

The sale of season tickets is being conducted at the Palm Springs Music company, 360 North Palm Canyon drive, where the seating chart is on display. Reservations may also be made by phoning 6122.

PALM SPRINGS concert series is being undertaken as a non-profit project by the Allied Arts association.

Andrew Lester, president of the Allied Arts association, has appointed Mrs. Richard Pace as chairman of the Patron Solicitation committee. Members of the committee are Edith Freeman, Grace Bainter Burgess, Mrs. Leo Baker, Mrs. George Olman, Mrs. Clarence Purnell, Mrs. Stanley Rosin, and Mrs. Alberta Babcock.

THE FIRST PAIR of patrons seats was purchased by Dr. and Mrs. William Aiken. The list of patrons to date also include the names of Mr. and Mrs. F. E. LeGro, Mr. and Mrs. Max Dresdner, Mr. and Mrs. Kenneth Kirk, Emily Laser, Belmont Sanchez, Mr. and Mrs. Sol Lesser, Esther McGee, Roland Vaile, Mr. and Mrs. Stanley Rosin, Mr. and Mrs. Oliver Jaynes, and Dr. and Mrs. J. E. Potter.

Following the appearance of Martini, the series will feature the well-known comic ballet troupe, Mata and Hari, on February 21, followed by glamorous Metropolitan Star Rise Stevens on March 7. Rounding out the series will be the pianist-humorist Victor Borge, who will appear in April.

"TALL TENOR"—Unusually tall, as well as dark and handsome, as well as dark and handsome, is Latin tenor Nino Martini whose appearance at the Plaza Theatre next Wednesday evening will inaugurate the first annual Palm Springs Concert Series. Martini has labeled his concert "Songs That America Loves."

Avery Allens Off To Wickenburg

Soon to take off in their trailer from Palm Springs and the La Paz hotel where they have been managers since its opening this season, are Mr. and Mrs. Avery Allen who will make their first stop Wickenburg. Mrs. Allen, the former Miriam Richards, answered the query of "Why are you going?" by saying they seek a new way of life, simpler and more down to earth than is to be found in the fabulous desert resort.

Police Officer And Local Girl Exchange Vows

At a wedding ceremony at the home of Esther Gilbert, Warren E. Hockenbary, member of the local police force, and Margaret Brady were married by Judge Eugene Theriault. The vows were read before a beautifully decorated fireplace. The bride, very lovely in pink with orchid corsage, was attended by Esther Gilbert, matron of honor, the best man being John Chafetelli. A reception followed and among the many guests were Chief of Police August Kettman, Captain Orest Johnson and Mrs. Johnson, Mr. and Mrs. Howard Poe, Mr. and Mrs. Robert White, Mr. and Mrs. Ted Green, H. Bryant, Mr. and Mrs. Roger Sullivan, Ken and Phyllis Briody, Miss Irene Smith, Lee Schissler, Miss Gertrude Walker, Joseph Riggio, Miss Electa Noyes, Mrs. Mildred Jackson, Mr. and Mrs. Al Abraham, Edythe Lake and "Tex", Mr. and Mrs. Roy Moss.

They are honeymooning at La Sesta bungalows after which they intend making their home in Palm Springs.

B. D. Miller from Falmouth, Mass., is registered at the Desert Inn for a week stay.

Army Brass At Warm Sands

Spending a week at Warm Sands were General and Mrs. George Davidson, he commander of the Sixth army and currently stationed at the Presidio in San Francisco. They were enthusiastic sight seers, expressed themselves "thrilled" with the Village.

Also registered at Warm Sands are Col. and Mrs. S. C. Hilton, who have just arrived after two and a half years in the army of occupation in Japan. Well known to Palm Springs is Professor F. P. Woellner, of University of Southern California, who has frequently lectured here, and is staying at Warm Sands with Mrs. Woellner.

Kenastons Return To Village Home

Returned to the Village are Jack and Helen Kenaston, dividing their time between Palm Springs and Santa Anita where they have several horses running.

At the Racquet Club over the weekend were Mr. and Mrs. Paul Dudley (Joy Hodges) who were on deck for dinner dancing Saturday and Sunday. Also in with a group of friends was Howard Hawks.

Enthusiasm is running high throughout Palm Springs in anticipation of the beautiful showing of new styles to be known as "The Fashion Story for 1950" scheduled for January 23 presentation at the Palm Springs Woman's Club and being sponsored by that organization with the co-operation of Bullock's, J. W. Robinson Company, and Desmond's.

According to Mrs. John S. Lapp, chairman of the ways and means committee of the Woman's club, plans have been completed for a Fashion Breakfast at 9:30 a.m. and a Fashion Tea at 2 p.m. in order to accommodate a larger number of people. The order of the show and clothes shown will be identical. The J. W. Robinson company,

Bullock's and Desmond's have arranged to send their most beautiful professional models and each store will provide 25 costumes to illustrate the "Fashion Story."

The Desert Inn, always famous for lavish hospitality and community spirit, will act as host to the models and store personnel at a luncheon between the two shows. Mrs. Nellie N. Coffman, founder of the Desert Inn and Honorary President of the Palm Springs Woman's club, is giving the Tea.

Many other people in Palm Springs are helping the Woman's club in the fine project of establishing a scholarship fund for some worthy High School student and much appreciation is due Henry Greeley, principal of Palm Springs high school, of the maintenance department of the high school and the Palm Springs Builders Supply for their cooperation in constructing the runway for the show. The adult art class at the high school made the posters advertising the event. Flowers are being given for the refreshment table by the Desert Inn Laundry and plants for decoration are being furnished by Neel's Nursery, all of whom have shown fine community spirit.

Admission tickets for either show are priced at \$3, including tax.

Seattle Santa Will Honeymoon In Palm Springs

Mr. and Mrs. Eugene Levy who were married in Seattle Sunday will spend part of their honeymoon in Palm Springs according to friends of the newlyweds here. First stop on the honeymoon of the noted philanthropist and former Northwest theatre magnate, will be Honolulu.

Mr. Levy won the title of Seattle Santa this Christmas when he started a campaign for a destitute Seattle family with a \$1,000.00 and saw his contribution pyramid to a two acre lot and a house for the needy family.

Members of the Seattle colony in Palm Springs who were dining at Town & Country this week were Mr. and Mrs. M. O. Anderson with their guests Mr. and Mrs. Henry Duchene.

Miss Paula Fatjo, owner of the famed Pacheco Ranch which was recently leased by Bing Crosby, rides the four footed movie star Thunderhead. The handsome albino stallion was purchased by William Leeds at the height of his movie career, is said to be the best trained horse in the world. Mr. Leeds gave Thunderhead to Frank Bogert deeming it only fitting that Thunderhead should live at Thunderbird Ranch. Thunderhead arrived at

Thunderbird complete with silver mounted saddle, six wool night blankets embroidered with his crest and six embroidered day sheets and an actor's personality. According to Bogert he's still hamming and is only happy when he has an admiring audience.

He will be kept for a parade horse. Thunderhead is crazy about parades, and attends local rodeos. He is a star attraction at the rodeos put on every Sunday at Thunderbird Ranch.

Williamson Hosts Party

One of the gay cocktail parties of the weekend where guests decided they could stay a little longer, was hosted Sunday by Jock Williamson, top decorator with a fine Scotch brogue from Kelley's. The party took place in one of Palm Springs' dreamy apartments, which Mr. Williamson leases in the center. Taking off at five, guests who were having too much fun to go home, were served a buffet supper around eight.

Among guests were Mr. and Mrs. Kenneth Colton, Mr. and Mrs. Keith Herbert, Mr. and Mrs. Thomas Burgess, Dr. and Mrs. Henry Reed, Mr. and Mrs. George Clarke, Mr. and Mrs. Sy Slocum, Mr. and Mrs. Ray Kelley, Mr. and Mrs. Leroy Linnard of Pasadena and Mr. and Mrs. Engerdue, also Pasadena.

Southland Socialites At Desert Inn

Social lights from the Southwest who are registered at Desert Inn include Mr. and Mrs. Oscar Trippet, Mr. and Mrs. Le Roy Linnard of Pasadena and Mr. and Mrs. Joseph G. Coleman of Santa Barbara.

AROUND THE VILLAGE IN SIX MINUTES

WITH PRISCILLA CHAFFEY

Frank and Janice Bogert gathered the town's faithful horsemen together for cocktails and dinner at Thunderbird Ranch Tuesday night to discuss ways and means for getting the city council to understand that there is no use spending a lot of money on a gilt edged arena at the field club UNLESS there are adequate facilities for stabling the show horses. It appears that owners of show horses are very fussy about box stalls. No box stalls, no horse show. As one of California's top shows is planned for next October in cooperation with the California Horseman's Association, it would appear that sumfin' has to be DONE!

There may be persons who consider box stalls for show horses outside the beat of a social marathoner, but not so. Horses do not appear in the guest lists of cocktail parties and exclusive soirees it is true, BUT wherever fine horses gather, you will find socially eligible and wealthy people gathered also. If you want the smart show horse owners, whose goings and comings make international social news, the first thing on the agenda is to have adequate facilities for the horses.

And it was a very nice dinner party that Frank and Janice Bogert gave, with persons present including Mr. and Mrs. Bill Grant, Dr. and Mrs. Henry Dol-

lard, Earl and Mrs. Henderson, Trav Rogers, Earle Strebe, Mrs. Oliver Jaynes, Mr. and Mrs. Roger Williams, Tony Burke, Dr. and Mrs. C. H. Woodmansee, Mr. and Mrs. Barney Hinkle, Bill Holmes, Mr. and Mrs. Phil Delano, Mr. and Mrs. Kenny Paul and Mr. and Mrs. Bill Smith.

Still circling over Thunderbird, Mr. and Mrs. Bill Grant have deserted the winter colony for the wide open spaces and have a ranch out there in the (if you'll pardon the expression) sticks, and Saturday night they made with a barbecue dinner at their hacienda with sizzling steaks and songs around the campfire and everything happy and gay. Guests included Mr. and Mrs. Mike Lebold, visitors from Chicago, Mr. and Mrs. Hugh Harrison, Mr. and Mrs. Jack Gordan and Mr. and Mrs. Johnnie Boyle. That ought to hold the hinterlands for awhile!

MAGIC, which stands for Men's Apparel Guild of California, did indeed bring a lot of magic to Palm Springs over a four day weekend. It was incredible to walk into the El Mirador lobby, which has been in the ghost town department for so many years, and find it magnificent with tropical greenery and flowers imported from Hawaii. Orchids bloomed by the thousands, flown from the Islands for the ladies of the convention. The hotel's famed Coral Room of golden memory, was slicked up for what appeared to be a perpetual cocktail party. About three thousand people in the clothes manufacturing business were milling around looking very dapper. Among Villagers were Mr. and Mrs. Frank Ewing, he in charge of conventions for the C. of C., and a perfectly swell job he's making of it; Mr. and Mrs. Bill Dunkerley, he wearing the green toned Desertux which was shown in the show, and she in an off the shoulder black velvet, but tres chic! In the same group, Roy Randolph wearing a red checked Western shirt, his Mexican hat, Levis and Western boots—Leo Fields looking handsomer than anything shown at the show in a white Western outfit trimmed in black and silver, very flash and formal; the general idea is that clothes ranged from a Mother Hubbard outfit to full formals, and all were properly dressed for the occasion. Which is one of the things about Palm Springs which is nice, each individual wears what he pleases.

Around and about the Racquet Club is Johnnie Meyer who hosted a large party of Hollywooders Saturday night.

Out at the Racquet Club Sunday was Sherman Loudermilk, the real cowboy sensation of television's "Cowboy Slim."

So now we've gone to and waited too long, having missed "Blythe Spirit" in toto. However, tomorrow night we go and see "Made in Heaven." We were needed into the radical de-arture from our ordinary routine by running across Jack Benny at the Doll House the other night and he had just been to see "Made in Heaven," and he was enthusiastic and thought it was "terrific!" And he thought the Tenthouse Theatre likewise, and the actors. A great community asset, he

thought. So, we decided that if he thought all that, maybe we better start thinking too and get around and see what's making with this Tenthouse Theatre. When an actor praises the performance of a show, it's GOT to be good.

Still at the Doll House, we saw Ray and Ada Dodge Lee Woods and the James Kenastons. The Dodges returned from their Mexican safari to Hermecillo where a happy time was had by all. Also at the D.H. Pat and Harry Reid just arrived from a trip to Los Angeles, the Jack Gorhams, Johnnie Seamons and Mary Jane Haynes.

Cadillac

Will Raise the World's Standard Again!

IN 1950, the reasons for moving up to Cadillac will become so great, that if you contemplate the purchase of any car outside the lowest-price field—you should see the new Cadillac first!

Here are some of the things you may look forward to seeing when America's most renowned motor car builder unveils its offerings for the ensuing year.

You will see four wholly new series of cars—all with entirely new bodies—gorgeously restyled.

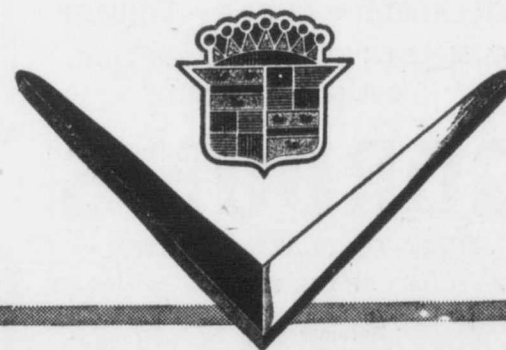

You will see cars whose performance is so outstanding that to drive one of them for a single hour is to want it forever.

You will see scores of advancements and improvements which add to quality, endurance, economy and dependability.

And, finally, you will see all this in a car whose lowest-priced model will actually cost less than certain models of numerous other makes!

By all means, see the new Cadillac before you act in 1950. They will give you the new yardstick for motor car quality—and value.

It won't be long! So please stand by for the presentation date for this community.

Noted Teen-Age Pianists At Woman's Club Monday

By RUTH MARTIN

When Carolyn Pryor and Wayne Anderson, teen-age musicians, are presented in concert at the Palm Springs Woman's

club Monday, January 16, the audience will have the pleasure of hearing the most talented and remarkable duo pianists appearing before the public today.

These charming young people have had the opportunity to perform as soloists with the KFI Symphony orchestra in 1948, as well as the Glendale Symphony and other well known orchestras, and have received highest honors as individual soloists. Such famous authorities as Luboshutz and Nemoff, the world's most famous duo pianists, have predicted a great future for them.

Carolyn Pryor and Wayne Anderson are sponsored by the prominent Marjorie Duncan Baker, Disouse, who specializes in American songs and other musical presentations and characterizations.

A beautiful program has been selected to please a great variety of tastes in duo piano music and a large audience is expected to hear these delightful musicians. Guests will be admitted as usual by card or the established fee of \$1.20 for the admission ticket.

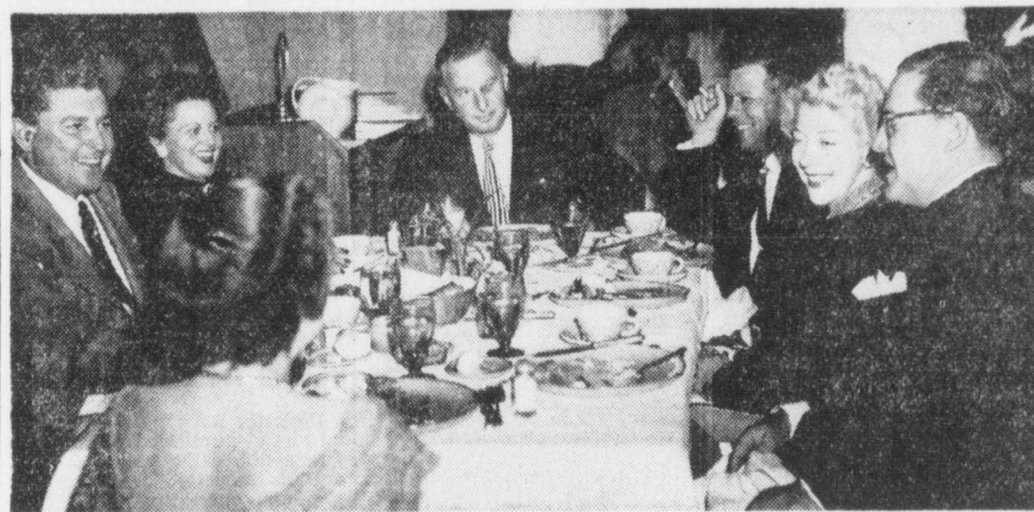

Claudette Colbert
Bali Bali Guest

The ever attractive and glamorous Bali-Bali was more so this weekend when Mr. and Mrs. Jack Benny entertained Claudette Colbert and her husband Dr. Joe Pressman. Dr. Pressman, an enthusiastic flyer, flew down in his plane for the weekend.

Another interesting Bali-Bali table where the notable barbequed squash chicken and Cantonese long rice was served was that of director and Mrs. Joe Pasternak with a party of eight.

Mrs. C. S. Clarke, who spent holidays with her son and daughter-in-law, Mr. and Mrs. George Clarke, returned this week to Moscow, Idaho.

Social ACTIVITIES

SHADOW MOUNTAIN DINNER PARTY—Cliff Henderson and Edith Eddy Ward joined forces Saturday night to host a gay party at Shadow Mountain Club with cocktails and dinner followed by dancing. Pictured left to right, with back to camera, Mrs. Ward, Art Steele, Janet Leighton, Cliff Henderson, C. A. Wheeler, Mrs. Art Steele and Jack Munger. Other guests included A. E. Nugent, Mr. and Mrs. J. D. Patterson, Col. and Mrs. Ellsworth and Col. and Mrs. S. C. Hilton, Mr. and Mrs. Jack Sutphen and Mr. and Mrs. Elmo Furel.

Gay Weekend For Racquet Club Gang

What owner Charles (Libelous) and (Mayor) Farrell, himself, calls the Racquet Club Gang, had a merry time for themselves over the weekend and during the week with many gay parties on the fire.

An important local table at the Sunday night buffet was that of Mr. and Mrs. James Kemper, just returned to Palm Springs from Chicago with their guests Mr. and Mrs. F. C. Dougherty who have opened their handsome hacienda on the Desert Golf course. Also in the party Mrs. Fred McNear of San Francisco.

Paul Trousdale was host (still Sunday night buffet) for Admiral and Mrs. Swede Overish, Mr. and Mrs. James C. Castle who are visiting from Honolulu, Mary Jane Haynes and John Seamons.

Bob and Deliah Ransom had buffet supper guests Mr. and Mrs. William Malouf with a foursome of Canasta in the lounge after dinner.

Mr. and Mrs. Tom May were hosts for Sunday night's biggest party which was preceded by cocktails with buffet supper and dancing to follow. Guests included Mr. and Mrs. Mervyn LeRoy, Mr. and Mrs. Thomas Lynch, she the former Rita Rend, here from Chicago, Mr. and Mrs. William Powell, Mr. and Mrs. Charles Farrell, Mr. and Mrs. Sam Briskin, Mr. and Mrs. Alexander Hall, he the noted director, just

back from Chicago, Mr. and Mrs. John Clayburg, Mr. and Mrs. Pat Nearney, Richard Steinberg and Max Felix.

Among Saturday nighters were Mr. and Mrs. Martin Weil and Mr. and Mrs. Duffy Edwards who entertained a large table in honor of Mrs. Weil's birthday. Mrs. Weil and Mrs. Edwards will stay at the club for several weeks with the husbands coming down from town for the weekends.

Mitchell Leisen was a dinner host, still Saturday night, for a large dinner party which included Mr. and Mrs. Jim Mashio (Constance Moore) and dance director, Billy Daniel and Shirley Smith.

Mr. and Mrs. Fred Clappett were a Saturday night foursome with Mr. and Mrs. Eastman Markell.

Fashion Figures At Lone Palm For Sunshine

The fashion round-up overflowed from the El Mirador this year to the nearby Lone Palm, and a continual fashion show up and down the walkway entertained guests and employees alike. Many big names in the fashion world made Lone Palm their headquarters during the round-up, including Donald R. Hanke of Marshall Fields, John Gantner Jr. of San Francisco, Arch Werner of Esquire magazine, Mr. and Mrs. Daniel Amis, Mr. and Mrs. Sam Glaser of Capitol Manufacturing company, and Mr. and Mrs. J. E. Morse.

Mr. and Mrs. Bob Hughes of the All-Year club brought Mr. Hughes' brother and his wife from Denver to the Lone Palm to enjoy the January sun. Other visitors from cold climates include Mr. and Mrs. R. G. Jubitz Jr. of Portland, and Mr. and Mrs. A. Gould of Toronto, all of whom are visibly thawing day by day.

A number of guests from the San Gabriel valley fled to the Lone Palm to brush off the smudge, among them Mrs. William M. Graeber of Pomona, Mrs. Samuel Hodesson of El Monte, and Mrs. Chas. Jones and her guest, Mrs. Jack Duffy of San Marino.

The Lone Palm is not complete with a musician or two and this week it was Jack Meskill, song writer, who with his lovely wife spent a few days.

Mr. and Mrs. Gil Brown of Beverly Hills debated at length about whether to voyage to Hawaii for their first anniversary vacation-time, or return to the desert. Palm Springs carried the day.

Marjorie Duncan Baker will present her program of musical interpretations of American folk songs, ballads, and impersonations for guests of the Desert Inn this Sunday evening. Also professional entertainers, the teen-age duo-piano team of Carolyn Pryor and Wayne Anderson, will present a selection of favorites in the Inn lobby.

Eastern Star Club Honored At Coachella

An outstanding and unusual tribute was extended the ladies of the Palm Springs Eastern Star Luncheon club by the Coachella Valley Chapter, Order of the Eastern Star, last Tuesday evening when ALL the offices of the Coachella Valley Chapter were filled by Palm Springs members.

The inspired manner in which the Palm Springs Eastern Star group conducted the business, fraternal and social work of the evening was remarkable, first because Palm Springs does not, as yet, have a regular chapter of the Eastern Star and secondly, because none of those officiating are serving as an officer in any chapter at the present time.

"Coachella Valley Chapter, Order of the Eastern Star, was proud to so honor our Palm Springs members," said Mrs. Carolyn Tyson, worthy matron of Coachella Chapter. "With members so capable of serving as officers, Palm Springs will have a truly outstanding Eastern Star Chapter when it is formed," continued Mrs. Tyson.

The Palm Springs group who served as officers on this occasion were as follows: Mrs. Harold E. Murphy, worthy matron; Dr. Carl Flandrick, worthy patron; Mrs. James A. Hume, associate matron; Joseph George, associate patron, Mrs. Carol Waller, secy.; Mrs. O. A. Torgerson, treas.; Mrs. Violet Humbarger, conductress; Mrs. Joseph George, associate conductress; Mrs. Carl Flandrick, chaplain; Mrs. R. G. Backstrom, marshal; Mrs. D. H. McCauley, organist; Mrs. Fern White, Adah; Mrs. Hattie Schwartz, Ruth; Dr. Georgiana Raymond, Esther; Mrs. Jane Burrows, Martha; Mrs. Elmo Purnell, Electa; Mrs. Marion White, warden; Maurice Libbot, sentinel.

A delightful program of entertainment headlined by the versatile Artie Lee and her accompanist was enjoyed by all.

The luncheon was presided over by Mrs. Florence Murphy, president, wearing her now famous Hobo Ball costume. Mrs. Ted Charleston was awarded first prize, a bottle of champagne, for the best costume of the day.

Mrs. J. J. O'Connor and her daughter have arrived at the Inn for a week's stay from Long Island City, N. Y.

Chest Campaign, Realtors' Topic

Palm Springs Real Estate board held its first meeting of the year at the W. S. Memorial building Tuesday morning with coffee and doughnuts the bill of fare for the breakfast session.

At an excellent turnout, led by President Herbert Foster, the group discussed revision of the bylaws of the organization.

Guest speaker for the morning's affair was Harry Harper who discussed Community Chest activities and complete organization setup.

Bank of America Heads Re-Elected

At the annual meeting of stockholders of Bank of America in San Francisco, Tuesday, all directors were re-elected, and at the directors meeting which followed all officers of the bank were reappointed, Fred Ingram, local manager, said this week.

In his annual report, President L. M. Giannini pictured the growth of the bank in the past 10 years by comparing the 1949 year end total resources of \$6,250,332 with the 1939 total of \$1,628,586.278. In reviewing 1949 deposit activity, Giannini declared that most gratifying was an increase in savings and time deposits of \$147,920,324 in the 12 months, of which \$111,000,000 was an increase in the savings of individuals.

CHEVROLET — Arthur G. Letherby who has purchased the Chevrolet agency in Banning and will serve this territory.

Letherby is New Chevrolet Dealer

Announcement was made this week that Arthur G. Letherby has purchased the Chevrolet dealership from Henry W. Obst in Banning and Beaumont. The company, located in Banning, will be known as Letherby Chevrolet and will represent both Chevrolet and Oldsmobile in that territory.

Letherby has been assistant zone manager for Chevrolet in Los Angeles since 1945. He was born in Hamilton, Ohio, attended Ohio State university until he joined the U. S. Marines in World War I, and later graduated from University of Cincinnati as commercial engineer.

In 1935 he became city truck salesman for Chevrolet in Cincinnati, but was soon promoted to district manager in Hillsboro, Ohio.

In 1937 he was promoted to divisional used car manager for Chevrolet at Dayton, and on January 1, 1939, was sent to sales promotion office of Chevrolet at Detroit where he served until transferred to Los Angeles zone office.

Letherby is married and has one married daughter. His son-in-law, H. Hambley Klosterman, a native of Louisville, Kentucky, will be associated with him at Banning as salesman.

Change in Water Plans Approved

Meeting of the stockholders of Whitewater Mutual Water company was held Tuesday with city officials and civic leaders in an effort to arrive at a more equitable distribution of the water supply in the city. Especial reference was made to the O'Donnell Golf course which owns 650 shares and the city's small parks and incidental properties which total 115 shares.

Principal (and controlling) stockholder Culver Nichols agreed there should be a more equal distribution and work was immediately commenced in that direction.

Two from City At L.A. Session

At the meeting of the state real estate board in Los Angeles over the past weekend Palm Springs was represented by the president of its own board and a member of the state group, H. H. Foster, who, with Mrs. Foster, attended all the sessions, ending with a banquet at the Biltmore hotel Saturday night. Also present from the Village were Realtor and Mrs. John Munholland.

Business Plan Meets Favor

Supervisor Collis Mayflower's proposal for a business manager for the county hospital met with unofficial approval of the citizens hospital advisory committee Tuesday although no definite action was taken.

Mayflower wants the hospital under strict business supervision. Supervisor Floyd Gilmore agreed with him on the proposal.

Two Dwellings Begun in Week

Building was given a \$30,000 boost last week as two new homes were started in the Village.

Among permits issued were those to: Charles Covey, 594 Camino Real, dwelling, \$10,000.
S. E. Henderson, 844 Mission road, Al Pierce, addition, \$20,000.
Charles Valentino, 220 N. El Segundo, alterations, \$100.

Workers Filed 4563 Claims in 1949

Disabled workers in Riverside and San Bernardino counties filed 4,563 claims for disability insurance and were paid \$773,594.41 during 1949. This represents more than 245,685 days of unemployment due to illness or injury, according to the year-end report issued by Francis W. Shaw, district manager for the division of disability and hospital benefits of the department of

Seattle Couple Buys Local Home

Recent sale of the beautiful Roy Burton home on Pablo drive in the Tennis Club district was made known this week.

New owners are Mr. and Mrs. William E. Froude of Seattle. Mr. Froude is an attorney of that city.

Sale price of the property was reported at \$45,000 with both ends of the transaction having been handled by Muriel E. Fulton, Realtor.

Dr. Harrison Joins Staff at Desert Clinic

W. J. Harrison, M.D., F.I.C.S., noted Los Angeles surgeon, has joined the staff of the Desert Clinic as full-time general and orthopedic surgeon. Dr. Harrison's presidency of the Southwest Branch of the Los Angeles County Medical Society terminates tonight at the annual banquet. He has been senior surgeon of the Torrance Memorial Hospital and chief of its surgical services. He is on the staff of the Seaside and St. Marys Hospital in Long Beach and has been chief surgeon for the U. S. Steel Corporation in that area for seven years. He has practiced in Torrance the last 15 years except for four and a half years in the U. S. Army in World War II with the rank of Lt. Colonel and commanding officer of the 29th Evacuation Hospital. He was overseas in the entire New Guinea campaign.

Dr. Harrison graduated from Loyola University in Chicago, interned at Cook County Hospital, and was resident in general surgery in the same hospital. He took extensive post-graduate work at the University of Pennsylvania.

Dr. Harrison has purchased a home here at 1477 South Riverside drive. He is married and has three grown children. One son is a graduate of West Point and stationed at Ft. Ord, California. Another son is a doctor of medicine at Harvard General Hospital in Torrance. His daughter resides with her parents, is a graduate of the University of Arizona and a Phi Beta Kappa.

ARABIAN PAGEANT—Manager Bob Fullenwider and Dixie Lee Fallon, both in Arabian costumes, sample California dates as they discuss plans for coming Arabian Nights Pageant, to be again staged in connection with Riverside County Fair & National Date Festival, scheduled for Indio Fairgrounds, February 17-22, inclusive. Miss Fallon will again play the feminine leading role in the exotic and colorful production, which will depict episodes from the famed Arabian Nights Tales. The spectacle will be presented free to fairground visitors each evening, starting at 6:15 p.m., on the beautiful \$25,000 outdoor Arabian stage, with cost of nearly 200 trained actors, singers, and dancers, in brilliant costumes.

Contest to Pick Fair Queen is On

Selection of a girl to represent the Palm Springs high school district as a candidate for title of Queen Scheherazade to reign over the 1950 Riverside County Fair and National Date Festival at the Indio Fairgrounds, Feb. 17-22, inclusive, will soon get under way here in this district.

Contest to pick the Palm Springs high school girl will probably be handled by the Junior Chamber of Commerce as last year. Principal Henry Greeley said no plans had been presented to the school as yet.

Plans are now being completed by the organization in cooperation with Harry Hofmann, director of special events for the 1950 Riverside County Fair and National Date Festival.

This season, 11 candidates will be chosen from throughout Riverside County, with each high school district selecting a representative to compete in the final judging at the opening-day ceremonies of the coming fair and festival.

The young ladies selected from the 11 Riverside County high school districts to compete in the finals for selection of Queen Scheherazade will be royally entertained as guests of the Riverside County Fair and National Date Festival during their stay at Indio. Meals, entertainment and transportation during the fair will be furnished and reservations have been made for the 11 candidates at the newly completed Indio Biltmore Hotel.

Veterans Find it Easier To Finance New Homes

Veterans today have less difficulty in getting low-interest mortgage financing for homes bought with GI loans than at any time in the past two years, according to Frank W. Kelsey, assistant administrator for finance in the Veterans administration.

According to Kelsey, nearly 40,000 applications for GI home loan guarantees were received from lenders during October, 1949. This is the highest number received in any month since November, 1947. Kelsey added

that a long downward trend was reversed in April, 1949, and that loan applications have been rising steadily ever since.

Several factors were cited to explain the upturn. T. B. King, director of VA's loan guaranty service, said that one important influence was the large amount of mortgage money supplied through the Federal National Mortgage association, a government corporation authorized to buy GI loans from private lenders.

Private lenders also have shown increased willingness to finance mortgage loans at 4% interest, the maximum rate

Lowey's Famed Auto Back Home

Designer Raymond Lowey's highly publicized hand-made automobile came home to Palm Springs recently for its annual physical check-up in the car clinic at Palm Springs Lincoln-Mercury company.

The radically designed vehicle, a Lincoln Continental, has often made the pages of nationally circulated magazines and illustrated publications including Life. It represents Mr. Lowey's first venture into the automotive judging field, and is reported to have cost in excess of \$20,000.

And how's its health? Doc Wat Hooker, headman at the local Lincoln-Mercury automotive clinic, reported the famous machine passed its physical with flying colors.

Love to be Topic Of Sunday Talk

The Rev. Robert M. Hogarth, rector, will preach Sunday morning in St. Paul's in the Desert on "Love Without Dissimulation." "St. Paul was writing in warning to the Christians in ancient Rome, the most highly cultured and sophisticated civilization in his day, and at the same time the most morally degraded. Love had become shot through with selfish interests and insincerities until it was no longer what God meant it to be, the great of all human faculties," said the rector.

Confirmation instructions will be given weekly in the Parish Hall from now until the Bishop comes on March 26.

The schedule of classes is for young people on Wednesdays at 5 p.m. and for adults on Fridays at 7:30 p.m.

Self Indulgence Topic Sunday of Rev. Blackstone

"Self Indulgence" will be the topic of the Rev. James H. Blackstone at the 11 a. m. service Sunday at Community church. There will be special music by the choir.

Junior high Christian Endeavor society will meet in the church at 6:15 p. m. under direction of Harry J. Tomlinson with Joy Robinson as leader. Senior high society will meet at the Manse, 251 San Jacinto road, at the same time with Carolyn Harper and Philip Miller as leaders.

At the evening service at 7:30 o'clock, Rev. Blackstone will speak on "Inspiration from Great Church Hymns." The junior high choir will sing.

Silver Dollar Luncheon Draws Large Throng

An enthusiastic throng of approximately 150 persons gathered at Community church parlors Tuesday noon to attend the annual Silver Dollar luncheon of the Women's Circle of the church.

Mrs. William Lippman, president, presided over attractively decorated tables. Mrs. Gordon Clark and her daughter Evelyn were in charge of the decorations.

Know Your Community Chest

Many persons ask "Why doesn't the Palm Springs Community Chest include all drives—Red Cross, March of Dimes, Cancer, Arthritis and other appeals—so that we could contribute just once for all these causes?"

That is a logical question for surely all persons would like to see the time come when one voluntary subscription would take care of all charitable, youth and health appeals in a community. In fact, that is the goal toward which the Community Chests of the United States have been striving since the movement was first started nearly 30 years ago. Community Chests have sought to "federate" all possible fund-raising appeals for the dual purposes of better calling to citizens' attention the urgent needs, and also to eliminate costly overlapping and duplicating drives.

COMMUNITY CHESTS have achieved this goal to a large degree. In Palm Springs, for instance, six organizations which would otherwise make their own separate fund appeals, are combined in the one annual call for youth, health and welfare funds. In Los Angeles, more than 160 agencies are federated in the Community Chest drive.

The Community Chest of every community maintains an "open door" policy toward any agency which wishes to merge its fund-raising work into the single annual appeal. Organizations applying for such acceptance from a Community Chest must prove that it is serving a need not already taken care of in the community; must be properly organized and must agree to handle

Plan Dedication Service Jan. 29

Dedication services are planned at Community church January 29, with the building program, begun two years ago, rapidly nearing completion. The event will mark the culmination of many years of planning.

Dr. Harold John Ockenga, pastor of the Park Street Congregational church of Boston, Mass., will deliver the dedication address.

He is a widely known lecturer and speaker and is president of Fuller Theological seminary and dean of the Boston Evening School of the Bible.

Plan Christian Science Lecture At Club Sunday

"Christian Science: The Revelation of Spiritual Law," is the title of the free lecture to be given at the Woman's Clubhouse, 314 South Cahulla road, Sunday afternoon at 3 o'clock.

Paul Stark Seeley, C.S.B., the lecturer, comes from Portland, Oregon, and is a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

In arranging for the lecture, the members of Christian Science Society of Palm Springs, believe they are providing a means for reaching many people with answers to frequent questions about Christian Science—what it teaches, how it heals, why thousands have become its adherents. A cordial invitation is extended to the public to attend.

reported on the progress of the church building program and the speaker of the afternoon was Mrs. Melba Bennett, who told of her European travels last summer. Lois Lux delighted the gathering with two musical numbers.

affairs in a business-like way in conformity to methods laid down by the board of directors of the Chest. This guarantees contributors that their money will be spent wisely and that duplication of effort will be eliminated.

COMMUNITY CHESTS in virtually every state of the Union except Michigan—of which more is mentioned below—do not include several organizations which make fund appeals on a national scale. These are principally Red Cross, T. B. Seals, March of Dimes, Crippled Children's Society, Cancer Society, Arthritis Control and other lesser appeals.

These organizations listed are directed by sincere, conscientious boards of directors. They have often considered merging their appeals with the Community Chests but for sound reasons have decided against the step. In the case of one or two, a membership basis has been followed which, without alteration, does not fit a Community Chest program. Others sell seals which could hardly be disposed of through a Community Chest campaign. And still others make county-wide appeals whereas in most counties—including Riverside County—there is no County Community Chests.

COMMUNITY CHEST boards, while hoping that someday a plan will be worked out for a merger that would permit "once for all" appeal, are not critical in the least of organizations not in the Chest; they feel that every sincere effort has been made to fit the appeals into the Chest pattern without success. And Chest board leaders generally are the most active in the campaigns for the funds of the other organizations, knowing full well that these groups serve vital needs not cared for by Community Chest agencies.

In industrial Michigan history has been written in the last two years, for there a United Welfare Plan has been adopted under which virtually every health, welfare and youth fund appeal has been merged into one. This year the state heavily oversubscribed its quota while Community Chests were having tough sledding in other states. The plan has not been put into effect without opposition, but its methods and results are being studied closely by Community Chest executives who hope that the trial run in Michigan may point the way toward the long-sought-for goal of one appeal each year for all needy causes.

Drive-In Movie Planned West of Cathedral City

Construction of a \$200,000 drive-in motion picture theater is to be started almost immediately on Highway 111 just west of Cathedral City. Walter Melrose, seller of the proposed theater site, with the purchaser, Bernard Bronstein, appeared before the county planning commission this week to request a permit, and as there were no protests the issuance of a permit was recommended.

The theater site consists of approximately 700 foot frontage on the north side of Highway 111 by about 1200 feet in depth. Melrose is the developer of the Sun-air tract which adjoins the theater site on the east. Bronstein, who owns property in Palm Springs and has been a winter visitor for some time, owns and operates a chain of motion picture theaters in Los Angeles, where he has been in business since 1927. He said that construction of the theater for which plans have already been drawn, will start immediately upon formal granting of the permit by county supervisors.

Nelson Eyerly of Meridian Idaho and Cathedral City resident for several seasons passed away last week. He is survived by his widow and four small children. Rev. Jack Warters of Cathedral City Community church officiated at the funeral which was held at the Paris mortuary in El Cajon.

Thomas Talk At County Meet Next Wednesday

Warner Moon, president of the chamber of commerce wishes to remind all those interested in tourist travel "and in this area that means practically everyone" he said, of the address to be given by Don Thomas, managing director of the All-Year club next Tuesday January 17. The occasion is the regular monthly luncheon meeting of the Riverside County chamber of commerce to be held at the Town Hall in Cathedral City.

A special caterer has been secured for the luncheon which will be served by a committee of ladies from the Cathedral City club. A limited number of reservations may be made by contacting Mr. Moon at the library or by phoning 8-3764 or by mail to P. O. Box 333, Cathedral City.

Mr. and Mrs. R. W. Kittrell of Oakland, are guests at Wolsteth's Desert Lodge. Mr. Kittrell is an old time University of California at Berkeley football player and all around athlete, having been a four letter man since 1905.

Cathedral City Zones Set Up by County Planners

Final hearing before Riverside county planning commission on the proposed zoning ordinance for Cathedral City was held at the court house Tuesday. Present from Cathedral City were Frank Russell, Robert Sherrill, Father Joseph Leissler, Warner Moon, W. R. Hillery, Mrs. Agnes Wilbor, Mrs. F. Mack Moore, Paul Clark, Mrs. Ruby Weaver, Mr. and Mrs. O. M. Ward, Curt King and F. L. Green.

Arguments were heard in zoning of the block bounded by Van Fleet, C. D. and Encelia Lane in R-2 or R-3 zone. The commission recommended the south half of the block to be R-2 and the north half R-3. Arguments were also heard on the zoning of the northeast corner of D and Glenn streets. The commission recommended that the zoning be left, as originally planned, in R-1. The findings of the planning commission will now be forwarded to the supervisors, probably next week, who will then call for a hearing before the legal adoption of the ordinance.

Various civic leaders, Warner Moon, president of the chamber of commerce, Robert Sherrill, vice president and secretary of the chamber, Jack Hillery, president of the Lions club, L. C. Lewis, president of Desert Associates and past president of the chamber of commerce, and W. R. Hillery, pioneer developer of the area, all expressed satisfaction over the apparent near consummation of organized plans for development of this area and the protection of present holdings.

Benefit Western Dance

Plans for a benefit western dance to be given Saturday January 21, by the Cathedral City Athletic club were announced yesterday by Al Patane, president. The Athletic club sponsors the hard and soft ball teams and the proceeds from the dance will be used to develop the ball field and for needed equipment. Al Sprague is the chairman of the dance committee which consists of Charles Dickey, Larry

Weingartner, Harry Watts, Hart Kopp, H. "Pop" Southstone and Hal Milner.

Sprague says that the dance in the recreation hall of DeLuxe Trailer park, donated for the occasion by Judge William H. Stute, will be one of the liveliest and most colorful affairs of the winter. He has arranged costume prizes, square dance prizes and many others donated by merchants.

He has especially invited all costumed teams in the area, such as the Los Compadres team, Rancho Park, Heel and Toe and other popular teams of the winter. He has arranged for the calling by Dave Van Netta, whom he said, is the dean of western dance callers. Music will be by Ben Massie and his Desert Rhythm Riders.

Mrs. Marie Lee Rindal of Bellingham, Wash., has returned to her home after several weeks' visit with her niece Miss Lydie Engh of Cathedral City.

Club Committees Discuss Affairs With President

"How club committees function" was the theme that brought together about thirty-five members of the Cathedral City Women's club for a pot-luck supper in the Town Hall on Monday night. It has long been the desire of the club president, Mrs. James Wolsteth, to have the various chairmen and their committees meet in one group to discuss the problems, and aims of each. Chairmen of committees were: Mrs. Leah Lewis, hospitality; Mrs. Lola Sherrill, membership; Mrs. Josephine Moon, house; Mrs. Charles Scherck, youth; Mrs. Agnes Wilbor, citizenship; Mrs. Nancy Krouth, foreign correspondence; Miss Margaret Davidson, art; Mrs. Charles Larsson, says and means; Mrs. F. M. Moore, current events and legislation. Officers of the club were the guests of the chairmen and their committees.

School Children See Circus Play

Cathedral City school children were given a half holiday Wednesday to permit a number to attend the performance of Toby Tyler at the Plaza theatre. This performance was given as a benefit for the American Association of University Women scholarship fund. Mrs. Helen A. Emery, school principal, said that the regular immunization for small pox and diphtheria was given the children where they required this week. Mrs. Emery also expressed great satisfaction that the school corner, 2nd and Van Fleet has been made a boulevard stop in both directions.

Sculptoring to Be Club Topic

The lovely Shadow Mountain Club is the setting for the next luncheon meeting of the Cathedral City Women's club, Wednesday January 18, at 1 p. m. The guest speaker will be Cyria (Mrs. Randall) Henderson, noted artist and sculptor whose subject will be "Sculpture Through the Ages." Reservations for the luncheon will be made with Mrs. Ted Forbes by mail or phone, not later than Monday noon, January 16. Telephone 8-3102 for reservations.

Scott to Assist In Registration

Ben Scott has just been appointed deputy registrar of voters for this area. W. R. Hillery has for many years given registration service in this area and will continue to do so. Hillery's office hours are however limited to 9 to 12 a. m. and 1 to 4 p. m. for five and a half days per week. Scott's House of Gifts is open from 9 a. m. to 8 p. m. seven days a week so that late comers can now be accommodated.

Cathedral City News Round-Up

Librarian Warner Moon says that there are now 16 desert oil paintings loaned by the Desert Magazine art gallery on display at the Cathedral City library. The display is changed frequently and the calibre of the work may be judged by the price tags which range from \$25.00 to \$700.00. The display is free to the public during regular library hours, Monday, Wednesday and Friday afternoons and Monday and Friday evenings.

The Carroll Wallers were pleased to receive a visit from namesake last week. Dr. Frederick Waller, who is consul general in Los Angeles, for the Republic of Austria, noticed the Waller Date ranch sign while driving by and stopped to inquire concerning possible relationship and to lay in a supply of dates.

Mr. and Mrs. Milton Updike flew down from Redlands Sunday in their four place Stinson plane with the Wyatt Gardiners as passengers. They landed at Desert Air Park and were entertained at breakfast by the Robert Sherrills. Mrs. Gardner is Mrs. Sherrill's sister. While here, M. Updike inspected some possible sites for a private airport and aviation school in the area.

The Charles Cobbs and Carroll Wallers attended the big Shrine show at the Shrine Auditorium in Los Angeles last weekend.

High Scores Mark Week's Hoop Games

Basketball this week took a new twist with some big scores marking city league play and, in two instances, where Village fives tangled with out-of-town-ers, both were beaten.

Starting Monday evening at the Athletic club the Rockets soundly and decisively trounced the Ducks 61-19 in the opener of the city play for the evening with Pete Hodge garnering 23 tallies for the winners. In the second game of the evening, Desert Hot Springs also poured it on to knock off Rudy's Gardeners 47-29.

Tuesday evening, also at the club gym on McCallum way, a fighting Doll House team, handicapped by lack of height which the opponents had plenty of, lost to the San Jacinto Nite Hawks 51-68. Some taller men are still needed on the team, Manager George Strebe announced.

Wednesday at the high school gym the Jaycees lost to Rudy's Gardeners in a 26-13 score. Art Jurado with nine and Tommy Kowano with eight were high scorers for the winners while Don Miller collected seven of the losers' 13. In the final game of the evening the Globe Trotters beat the Youth Center 37-26 with Merlin Simpson and F. K. Jessie each collecting 12 for the Trots and Ben Prieto sinking 11 points for the Center.

Woman Found Dead in Home

Death from coronary thrombosis was the finding of a coroner's jury Wednesday with the passing of an elderly woman, Mrs. Louise Tebo, who was found dead in her trailer at Rancho Traylor park Tuesday afternoon. Said to have been a native of Poland, her husband passed away some time ago in Long Beach. She was said to have more recently come from Seattle where a niece resides. Resting at Wiele's and Son mortuary, no arrangements have as yet been made for services.

Airport Extension

In Los Angeles yesterday to discuss possibility of the city's acquisition of an extension of the airport, now held up by one of the property owners whose land adjoins the runway area, City Manager Russell Rink conferred with members of the Civil Aeronautics authority.

Today it's Uncle Sam, Next Month it Will be the State

Today Villagers may avail themselves of expert advice from an Internal Revenue department deputy who will be at World Wars Memorial Hall, 400 North Bellard road to help them with their federal income tax returns.

But that isn't all, brother—after that is out of the way, there will be a deputy from the

TWO BIG ONES—Terry Ray, local realtor, poses with two marlin he caught on a recent trip to Mexican waters at Mazatlan.

Village Realtor Lands Big Ones

Terry Ray, local realtor, is back from Mazatlan, Mexico, where he combined business and pleasure, looking into mining properties there and going after Marlin in Mexican waters. Both goals were attained, he said.

He was a guest at the Del Mar hotel and his companion on the fishing trips was Richard Angle, engineer for the department of interior at Albuquerque.

"After each day of fishing, I had to rest three days before going out again. It's a great sport. One of the Marlin took me two hours and 20 minutes to land," he said.

Ray is a member of the firm of Terry Ray and Guy Anderson, local realtors.

Countywide Police Shoot is Canceled

In spite of the fact that the shooting portion of the police range was finished last week due to concentrated work under the direction of Rangemaster Dale Thompson, the scheduled countywide police officers shoot next Tuesday, January 17, was cancelled yesterday due to court actions which will keep most of the Riverside city participants away.

Thompson said as of press time yesterday there had not yet been a new date set for the shoot.

Indians, Banning Meet in League Cage Tilt Today

Coach C. E. Ballagh's surprising Indians, now rated a strong contender for the Riverside County League basketball title, go to Banning today to meet Banning high in the second round of the current casaba schedule.

Last week Palm Springs high subdued Coachella, one of the favorites for the crown, on the local floor, 58-40.

Coachella and Beaumont had been figured as the two teams to fight it out for the championship.

Banning bowed to Perris high last week in its opening game, 34-28.

In a pre-league practice game the Indians bounced Banning but Coach Ballagh isn't letting his charges dwell on that. Coachella defeated the Indians in a practice game, too, he pointed out, and the Indians came back in the league game, where it counted, to win. He kept his squad aware of the fact that Banning could do the same in practice sessions this week.

Junior Bowlers Form Leagues

American Junior Bowling Congress members, bowling each Saturday, are now dividing up into regular teams for league play with the first sponsor being the Junior Chamber of Commerce which is backing the high school keglers.

Organizing into a formal group Skip Roth was named president with Sue Leonard made secretary and Gail Jones treasurer. It is now the wish of the organization to obtain individual team sponsors and this may be done by business houses at the bowling academy on Saturday or by calling 2029.

Contractors Meet Banning Merchants

Next Sunday baseball play will feature locally the Palm Springs Contractors vs. the Banning Merchants while the Dodgers travel to Coachella to meet the Volunteers. Cathedral City will take on the Indio Tigers at the latter's home lot at the same time—all games set for 2 p.m.

Palm Desert Sunbeams

By EDITH EDDY WARD

The winter season at the Shadow Mountain club really gets into full swing when the Floyd Odlums start to entertain, which they did last Saturday night with a small dinner party of sixteen. We saw small, handsome when Mr. Odlum and his lovely wife, Jackie Cochran, give a party there can be anywhere from sixteen to sixty guests and there is always an element of surprise in the guest list. Famous people from all over the world are often visitors at the Odlum-Cochran ranch and are entertained at the club—they may be some well known flyer, a film celebrity, a top ranking member of the armed forces, publisher or a business leader. This time they included Mr. and Mrs. Joe De Bona (he was the winner of the Bendix Transcontinental Trophy race); Dr. Helmar Kasper and his sister, Fritz Kaspar from Vienna, Austria; Mr. and Mrs. Edwin Luchs, New York; Mr. James Alford, Florida; Miss Florence Walsh, New York; Mr. and Mrs. Johnny Maschio (Constance Moore); Steve Boddy, Kansas City; Mr. Wallace Hurley, Los Angeles; and Miss Viola Straus, hostess of the ranch.

Oscar Trippett, president of Shadow Mountain club, entertained visiting hotel owners and operators from San Francisco with a cocktail party at the cabana Monday afternoon. They were Mr. and Mrs. Dan London, of the Hotel, Karl Weber, Whitecomb Hotel; Mr. H. B. Klingensmith, Cliff and Plaza hotels, S. F. and Santa Barbara Biltmore; Mr. E. B. Degolia, Sir Francis Drake; and Mr. and Mrs. Frank Dupar, Western Hotels, Seattle, Wash.

The Professional Flying Men's Club of San Diego, headed by Dr. E. B. Wedgewood, swooped down over Palm Desert Sunday morning, circled a couple of times and landed at the Desert Airport. Arrangements were made for several cars to pick them up and bring them to the club, where Hilma Lawrence served them a special breakfast.

As guests of Dr. Wedgewood, it was the first visit to Palm Desert for these flying San Diego doctors: Dr. and Mrs. Norman O'Farrell with their daughter, Ellen; Dr. Wm. Gibbs, Jr.; Dr. and Mrs. Wm. C. Satterlee; Dr. Sheldon I. Brockett; Dr. and Mrs. John Steen and daughter Sharran with her guest, Miss Marilyn Royce; Dr. Orlan K. Bullard and Dr. L. Guichard. All of them were so enthusiastic over the place that they plan to fly back individually and many of them are making application to join the Shadow Mountain Club, as it is only a hop, skip and a jump from San Diego by air.

Wendell Niles, of radio fame, spent several days at Palm Desert last week enjoying a much needed rest. By coincidence, an old friend and fraternity brother of Mr. Niles, Governor McKay of Oregon, arrived at the same time and the two of them got together for a long "chin fest."

Applications are pouring in for membership in the Shadow Mountain Club and we are happy to welcome as new members Mr. and Mrs. Roy Barton White, president of the Baltimore and Ohio Railroad; W. Hubert Tappan, vice-president Tappan Stove Co.; Mr. and Mrs. Howard Carr of the Signal Oil Co.; Donald M. Lockett, executive of Sears Roebuck; Stephen P. Burke, owner-operator of Hot Yakima, Washington; Mr. Robert C. Crosta, Denver, Colorado; Louis H. Keightley, Sioux City, Iowa; Lucien W. Shaw, attorney with Morrow and Trippett, Palm Springs; and Frederick P. Smith of Beverly Hills.

SPORTSMEN BACK PLAN FOR SYNTHETIC LAKES

Possibility of at least four new synthetic lakes in the Indio-Mecca area for bass and bluegill fishing were announced at last week's session of heads of the Wildlife Conservation board with leaders of the local area, meeting held at Indio.

Present to add an official note field agent for the board from the opening was Ray Knight, Sacramento, who revealed that there is scheduled for the area mentioned two 20-acre lakes, one of 40 acres and one of 15. He said that the size and number of the new lakes—well worth \$100,000 to taxpayers of Riverside county—were decided by a visit of Seth Gordon, head of the board, recently.

CARL KEENE, president of the Palm Springs Sportsmen Inc. who attended the meeting, said that the lakes will be open to the general public and that they will not cost the taxpayers one cent. The only stipulation, he said, is that maintenance and upkeep must be guaranteed.

TALES FROM THE FAIRWAY

By GEORGE HOWARD
Golf Professional, O'Donnell Golf Club

Among the visitors the past week, were Marlene and Alice Bauer. They were on their way to Tampa, Florida to play in the Tana Open and then continue the winter circuit, but will be on hand for the Palm Springs Women's in April. Marlene is defending champion. . . . In the recent qualifying tests for the Los Angeles Open, Pat Martin, O'Donnell starter just barely missed by two shots, a 79 in the afternoon. Following the Bing Crosby event at Pebble Beach, Ben Hogan will spend a couple of weeks at the local course just resting and playing with friends. This will give the local golfers an opportunity to see Hogan, as he starts the greatest comeback in the history of any sportsman.

Harold "Jug" McSpaden, in town for the Men's Wear convention, not playing much golf but all business. . . .

MANY PROMINENT golfers played the O'Donnell course the past week including Jack Benny, Bob Hope, Wm. Perlberg, Jordan Olivar, Loyola football coach, Joan Caulfield and Mary Livingston. Other notables, Mayor Ed J. Kelly, former Chicago chief; Mr. and Mrs. Burke Greenfield, Chicago; Mr. and Mrs. Howard

"This we are going to try to get through the county," he said. Next Monday there will be a delegation in attendance at the meeting of the board of supervisors where we will try to get the county's guarantee to see that the lakes are attended to properly. We already have the assurance from the water board for sufficient water for at least 15 years and all we need now is guarantee of someone to police the lake areas.

"AS FAR AS WE'VE been able to figure out," Keene said, "the most this policing could cost the county would be about \$3500 per year, even if they went out and hired new help for the job—which isn't necessary. All that is needed is to take someone from the road department and transfer him onto the lake patrol," he said.

It is expected there will be a large delegation of sports followers from all over the county at the supervisors' meeting Monday in the interest of this proposal.

Deep Snow After Weekend Storm Aids Ski Sports

Last weekend's storm left five inches of new snow in the Indio-wild area and kept five snow-plows busy for two days on the highways. Added to the snows of earlier storms the snow depth in many places now measures more than 12 inches.

Art Morris, County road foreman, announced that his crews played county roads down to the 4000-foot level. All roads, including the Palms to Pines and Banning-Idyllwild Highway are open to traffic. Chains, however, are required for safe travel.

Skiing and tobogganing in the San Jacinto mountains is now at its best, operators of the Halona Hill ski-tow declare. A minimum temperature of 12 on Sunday night kept the snow dry and powdery.

Although the snow depth at present is considerably less than last year, it is above the average for the past five years. In Fern Valley, above the business district of Idyllwild, a pack of 12 to 18 inches covers most of the ground. Low temperatures during the past two weeks have allowed little run-off in the forest.

No report has reached the forest service as to snow depths in the Wilderness Area above the 7500 foot mark where the Tramway will go. However, indications are that several feet cover the slopes in the vicinity of Tahquitz Valley.

Speedy Work Saves Man in Gas-Filled Car

Report to police Tuesday morning shortly before noon told of a car parked at the end of Camino Barranca with the motor running and a hose from the exhaust into the rear window of the car with an occupant inside the car.

Quick investigation found William T. Avara in a '49 Mercury sedan passed out, but artificial respiration by police officers under the direction of Harry Houghton and a trip to the hospital soon had him breathing again.

At the hospital the man became unmanageable with the result that Officers Houghton, Jim Hockenbary and Bob White were required to restrain him.

He was removed later that date to the county hospital at Riverside for observation.

Annual Fish Fry Set for May 6 By Sportsmen

First-hand flash from Palm Springs Sportsmen Inc. discloses that the annual fish fry, sponsored each spring by that organization, will this year be held May 6. Carl Keene, president, said it is the closest Saturday to a full moon with an open date available and he expects that as always there will be a demand for tickets far exceeding the supply.

He says further that there are several innovations to be introduced at this year's event which will be announced later when other details of the popular party will be disclosed.

Memorial Cancer Fund Given Aid

A visitor in town Sunday to aid in plans for the formation of a memorial cancer fund for her former husband, now deceased, Benny Whitman, dean of west coast boxing referees up to the time of his death in August, was Mrs. Ida Whitman, who also took in the style show of the menswear convention on behalf of her own clothing establishment in Los Angeles.

Mrs. Whitman said she is greatly pleased with the reaction of local sport followers and former friends of her husband in their response to the movement.

Prized Baseballs

Proud possessors of baseballs completely autographed by members of the Seattle Rainiers, who go into training here this spring, are Bill Talbot Jr. and paper boy James (Pork Chop) Parker. The balls were the gift of Twila King, who is a personal friend of Rainiers' manager, Earl Sheely.

New Police Target Range Now Rapidly Taking Shape

Workmen were busy this week pouring concrete at the new police target range at the north end of the airport and when the project is completed, it will be one of the best in the county so Police Chief A. G. Kettmann said.

Policemen are doing much of the work themselves on the project. They acquired some build-

Auxiliary Police School Attended By 30 Veterans

More than 20 members of the American Legion, Owen Coffman post 519, attended the first session of the Auxiliary Police School of the Disaster Preparedness Council Tuesday night at Wars Memorial Hall. Police Chief August Kettmann and Legion Commander Hilton McCabe in charge.

It was explained that the auxiliary members who will perform in times of emergency will have special uniforms and special training of four hours per month part of which will be in the patrol car of the police force.

Approximately 40 auxiliary officers will be finally selected, it was announced by Ray Lusby, personnel officer, who is working with Executive Director R. W. Peterson on the overall emergency program.

Square Dancing At Athletic Club Draws Crowds

Tonight the fourth of the weekly square dances sponsored each Friday night by the Palm Springs Athletic club, is destined to be the biggest dance yet according to the way attendance has increased each week.

To the music of Ben Massie and calling of Cliff Campbell the merry-makers will enjoy themselves by dancing everything in the book including the regular square, Paul Jones and now and then a modern tempo.

Set to start at about 8:30 p.m. President Bill Goodridge Jr. of the club stressed that the public is cordially invited to participate for an evening of gay dancing at the clubhouse, 2905 McCallum way.
